HAIR STYLIST

JEFFREY
She's a little fire ball,
this one.

Really sweet girl. I like
her. She's a little
nervous about the changes
that are going to go on
today.

But, you know, she's
pretty mature for her age.
I think she's going to be
great.

So how do you feel about
being a brunette?

EVA
I'm nervous.

JEFFREY
I bet you are. You know
what? Hilary Duff has
always been known for her
hair. You're going to make
a killer brunette.

VO
Celebrity photographer,
Richard Sibbald who's
worked with Vince Carter
and Vin Diesel.

Eva looks a little like
Hilary. I don't really see
it immediately. I find her
face is a little more
round than Hilary's.
